HOW THE CORNISH WAS CHECKED

Every Cornish word and phrase in this pack was copied from the sources below, which we checked on 31 October 2026: Cornwall Council's list of 20 Cornish words and phrases, the Akademi Kernewek dictionary (Gerlyver Kernewek) and, for place names, the Akademi Kernewek place-name list. Cornish is written here in the Standard Written Form (SWF). Where the dictionary gives a Middle (M) and a Late (L) spelling, we use the M spelling, which is also the one in Cornwall Council's list. Words we could not find in these sources were left out.

HOW TO HEAR THE WORDS

We don't make up English-letter spellings of Cornish sounds. To hear Cornish, try the phrase books on the Go Cornish website (gocornish.org), which have simple phrases with audio. Cornwall Council's Learn Cornish page points learners to Go Cornish for classes, words and phrases, and apps.
